**Website:** <https://handymanconnection.com/winnipeg/>

## **Did You Know?**

The City of Winnipeg is able & willing to provide special services to seniors living in their own homes that are physically unable to put out their own garbage & recycling. Here's how it works:

**City of Winnipeg Garbage and Recycling Walk-Up Service:** If you are unable to bring your garbage/recycling bins to the curb, collectors are able to take your carts from your property to their truck and return them for you. Contact **311** or visit <https://www.winnipeg.ca/waterandwaste/garbage/walk-upService.stm> for an application. You will have to re-apply for this service each year.

**Snow Removal:** There is a provision for the City of Winnipeg to make sure that you have a path cleared from the sidewalk in front of your home to the road (in the winter). You are only eligible for this service if all persons in the household are physically unable to do the work & there are no other options (family, friends, and neighbors). For more information, call the City of Winnipeg Public Works Dept. at **204-986-7623** or **311**.
